round headed bush clover	<i>Lespedeza capitata</i>	6.25
lead plant	<i>Amorpha canescens</i>	0.56
prairie sunflower	<i>Helianthus pauciflorus</i>	1.00

The contractor will purchase the above seed from a government-mandated source, the Weaver Dunes Office of the Nature Conservancy, rather than having it provided per section 2.3.1 of the contract. Above are the actual amounts of seed that will be purchased by the contractor. This seed is available at a cost of \$7052.99 and was originally to be provided by the government. The Nature Conservancy will be providing a copy of the planting contract and they will prepare an agreement for the contractor to sign stating that the seed that is being provided to them will be used only for this project. Payment shall be made within 15 days of receipt of seed directly to:

The Nature Conservancy  
Attn: Rebecca Oberton  
1101 West River Parkway, Suite 200  
Minneapolis, MN 55415  
(612) 331-0700

Documentation showing that payment has been made shall be submitted to the Contracting Officer in order for the contractor to receive full reimbursement for this contract line item by the government. All other terms of the solicitation remain unchanged.
